PRESS RELEASE

Status of Post Matric Scholarship-ST for the AY 2024-25

The Department of Higher Education wishes to inform the beneficiaries of the Post Matric Scholarship of ST students that the Funding Agency, i.e. Ministry of Tribal Affairs, Government of India, has sanctioned the Scholarship for the AY 2024-25 on 28th October 2025.

We understand the importance of timely disbursement and are working diligently to expedite the process. However, in view of the ongoing agitation by the Joint Co-ordination Committee on IAS induction, the processing of scholarship is delayed.

The Department anticipates completing the process at the earliest. We appreciate the understanding and patience of all the students affected and assure that every effort is being made to expedite the matter. The Department will start the disbursement of scholarship as and when the Drawal Authority is received.
